

PATCO®

PRESSURE-SENSITIVE. PERFORMANCE-READY.

***Custom-engineered
tapes built to meet
precise specs, solve
tough applications, and
perform under pressure.***

Tapes built for the jobs when "close enough" is not good enough.

Engineered for complex applications across manufacturing, aerospace, clean rooms, and more, our tapes bring performance to surface protection, masking, splicing, sealing, bonding, and custom applications.

Backed by U.S. manufacturing and decades of materials, coating, and converting expertise, PATCO delivers solutions engineered around your specs, substrates, and demands.

- U.S. manufacturing since 1965 - Bristol, RI
- ISO 9001:2008 Certified
- Serving industrial converters, fabricators, and distributors

Field-tested brands.

Polyethylene and specialty film tapes built for long- and short-term indoor/outdoor applications. Options include UV-resistant and clean-removal constructions for storage, manufacturing, transport, and general usage.

Permanent and temporary adhesive tapes coated to film substrates for sealing, splicing, bundling, wrapping, hold-down, color-coding, aisle-marking, and more. Available for high and low surface energy materials.

PVC and PP film tapes designed for maximum conformability, clean removal, and high-temperature performance. Built for masking applications that require edge control, surface release, and where durability matters.

COATING & CONVERTING CAPABILITIES

- Coating Line - Max Usable Width 58"
- Coating Type: Direct Coat, Transfer Coat
- 3" ID Core
- Maximum Diameter 24"
- Rewind Slitting 1.5" - 60"
- Logging (up to 58" usable)
- Single Knife Slitting $\geq .118"$
- Guillotine Trimming & Sheeting $< 36" \times 36"$
- Perforating - 2" to 30" Spacing
- Release Liner Backslitting

MATERIALS EXPERTISE

ADHESIVES

- Rubber
- Acrylic
- Silicone
- Polyurethane
- Hybrids (blended)
- Custom Coating (UV/FR, etc.)

BACKING

- Polyethylenes (LLDPE, LDPE, MDPE) $> .003"$
- Polypropylene (MOPP) $> .003"$
- Polyurethane (PU) Aromatic & Aliphatic
- Metalized Polyester (PET)
- Laminates
- Glass Cloth
- Surlyn
- Polyvinyl (PVC)

RELEASE LINERS

- 53#, 70#, 94# Kraft Paper
- 66# Clay Coated Paper
- .0025" and .005" Blue HDPE Films
